CIMNE^R

Let's get a recall ^[1]

Why ?

Our
responsibility

Conclusion

- 60% of wildlife wiped out since 1970
- More plastic than fishes in oceans in 2050
- Natural disasters increasing

[1]: The Guardian, 30 oct 2018

Our responsibility

Why ?

Our responsibility

Conclusion

Why ?

Our
responsibility

Conclusion

What we should remember

- Engineers have influence on companies decisions
- Engineers can understand and propose solutions
- This is a power
- Powers gives responsibilities
